Dear Dick,

BRAVO! You and all of the outstanding gentlemen of your Barbary Coast Dixieland Show Band gave us another superb concert last Saturday evening. It was masterfully paced with a great variety of interesting features. Every song was a highlight, from solo playing and singing to close four-part harmonies and full-band numbers in several musical styles -- even the audience "sing-alongs"! Your humor, interplay among the band members and great connection with our audience (of 1,002!) topped it all off. We've heard strong applause before, but not accompanied with such abandon by whoops and other exclamations of joy. Your "Show Band" clearly is aptly named. What a **SHOW** it was!

At intermission, a former President of our *STAGE ALIVE* CCA for twelve years stopped me in the aisle and said, "Marc, this is the best concert our CCA has ever had!" -- a high complement indeed from one known not to exaggerate.

Our thanks to you and to Dick Ramberg, Russ Peterson, Jim ten Bensel, Steve Pikal and Tom Andrews for sharing your prodigious talents with us.
